For further detail, kindly contact info@ristco.co.za, johan.opperman@ristco.co.za or mobile +27 83 233 4630. Also refer to <https://www.ristco.co.za>

- All courses, except KING IV has a self-study option.
- All E-learning courses could be done any time and on your own tempo. It is instructor led with videos, but not interactive.
- A self-study option is also available but is generally not recommended as it has a lower learning experience.
- All training is done by a Certified Trainer that is also Certified in the specific course to maximise benefit and impact – except for ISO 37000 as PECB does not have a course for the standard. Johan Opperman was however part of the global team who developed the standard.
- In-house courses could also be arranged.
- The schedule is subject to change. Amongst others depending on the number of seats booked. The single point of truth is referenceable from [Training - Ristco](#)
- Enquire for discount options if two or more of the same organisation attend the training.
